

3D Shapes: Faces, Edges and Vertices

Grade 2 · Worksheet 1

Count the part named under each solid. Dashed lines are hidden edges.

1.

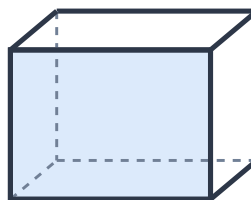

triangular pyramid
faces

2.

triangular prism
faces

3.

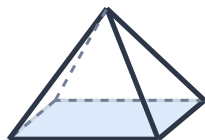

rectangular prism
faces

4.

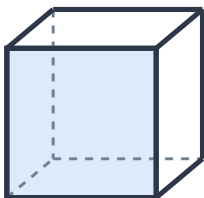

triangular pyramid
edges

5.

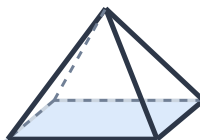

square pyramid
vertices

6.

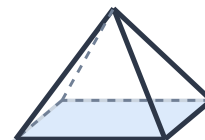

cube
edges

7.

square pyramid
edges

8.

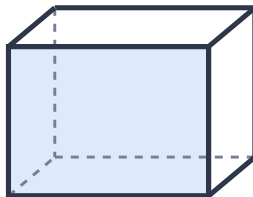

square pyramid
faces

9.

triangular prism
edges

10.

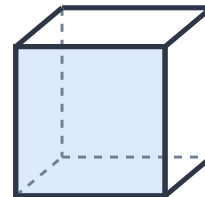

rectangular prism
vertices

11.

triangular prism
vertices

12.

cube
faces

Score: ____ / 12
